

I would be extremely unhappy if K-Love was no longer broadcast in our area. This station truly fulfills its mission to provide positive and encouraging music and thoughts. They make us aware of events in our community like concerts, family events, and retreats just to name a few. If K-Love was displaced by an LPFM much of our community would suffer. In today's world we need a positive place to tune into daily. They helped us a great deal when my husband was unemployed for ten months. They prayed for us and sent us a note by mail. They provide encouraging testimonies of common struggles that many in the community can relate to. A positive voice is needed please don't silence that voice in our area or any area for that matter.

Thank you,
